

Study Away Program Proposal Review Sheet

Study away refers to academic travel based in the U.S. and designed to increase the opportunity for GGC students to participate in relevant, hands-on, academic learning in culturally and geographically diverse locations where they can strengthen their intercultural competencies.

Program Name: _____ Destination: _____

Discipline(s): _____ Dates: _____

Score: **0** =not met; **1** =met; **2** =exceeded

	Criterion	Score	Comment (Required if 0)
1	Novelty: a theme which is relevant to students' experiences and would appeal to attendees		
2	Intercultural Component: the extent to which the program enriches the overall student experience		
3	Interdisciplinarity: involving two or more academic disciplines. Note: We will NOT approve any program with only one faculty member.		
4	Cost effectiveness		
5	Applicant Newness to Study Abroad/Away: We wish to broaden GGC's scope of delivery by enabling more faculty who are new to study abroad/away to lead such programs.		
6	Academic Representation: involving as many schools as possible		
7	Geographical Distinctiveness: representing locations that are geographically different from Gwinnett and from other proposals		
8	Viability: school/department support, ability to recruit students, and likely sustainability
