

Education Abroad Points of Contact (POCs) AY 2021/2022

The Point of Contact (POC) will verify the appropriateness of the requested education abroad course of study as it relates to the student's plan of study. if a student plans to take courses housed in more than ONE GGC school, the student must consult the respective POCs and secure their approval/signature before proceeding. No education abroad request will be processed without due approval by the school(s).
